

Dear Sir or Madam,

I am sending you our manuscript entitled “Unbiased Estimation of Permutation Entropy in Alzheimer's Disease Diagnosis from EEG”. I attached the manuscript as latex file and tree images as pdf files. For sure I also enclose pdf version of the manuscript. I hope the manuscript satisfy all requirements. If you have any questions or comments, please do not hesitate to contact me at hubatvac@fjfi.cvut.cz.

Yours faithfully,
Václav Hubata-Vacek
